Standing crops, viz., sugar-cane, paddy, togarí, ragi, jola, beliar; castor and harka, are reported to be in good condition in parts of the district. Ragi, jola, til, castor and latkia are reported to be in need of rain in parts.	Prospects improving in parts of the district, while in others the need for more rain is keenly felt.	Do
Paddy, ragi, sugar-cane, togarí, castor, chillies and suné in Hasen; gidda-ragi, dodda ragi and sugar-cane, sown in the early part of the year in Belur; ragi, paddy and sugar-cane in Arsilkere and Alur standing crops in Channanayapatna, Gidda-ragi, dodda ragi and sugar-cane in Hole-Narsipur; ragi and paddy in Arkalgud are in good condition. Paddy in Manjuralab and Belur, and paddy and ragi in Hole-Narsipur are being transplanted, paddy in low lying fields on both banks of the Hemavati in Manjuralab are being damaged by the excessive rain. Gidda-ragi sown lately in parts of Belur was damaged by the heavy rains and the fields have been re-ploughed and sown with dodda-ragi. Chengarvalli aint in the Hassan taluk having breached recently, it is feared that sufficient water-supply cannot be had for raising paddy crop in the fields commanded by the aintut.	Prospects of season have improved. No necessity found for starting relief works. Food stocks are available in sufficient quantities at all principal markets.	Generally good. Smallpox prevalent in parts of Alur and Murrabab.
Standing crops, rice, paddy, black and green grams, sesbanum, ragi, pigeon-pea, wheat, sugar-cane, navane and Decan hemp are reported to be in good condition. Paddy and ragi are sown in Shiramogas; chillies in Sorab and paddy in Tirthahalli are transplanted.	Rains have been ample, and the Good outlook throughout the district has improved. Food stocks are sufficient.	Do
Ragi in Tarikere and Kadur and sugar-cane in Chikmagalur are being sown. Paddy in Yeddhalli, Koppa, Mudgere and Sirigeri is being transplanted. Ragi, coriander and paddy in the Chikmagalur taluk are in good condition.	Recent rains are favorable for sowing in all parts except in inland tracts where it has been far over the average and has caused floods in parts.	Generally good. Fever prevalent in parts of Hiriyar tal.
Standing crops, same, jola, Italian millet, pigeon-pea, cow gram, castor, and green gram were sown in all parts of the district. The standing crops both dry and wet are in good condition.	Prospects of season are improving by the late rains. Food stocks are reported to be sufficient.	Do
